 United States District Court
 Southern District of New York
 40 Foley Square, Room 2102
 New York, NY 10007

RE: Victor Campbell v. City of New York, et. al.;
Case No. 1:21-cv-04056-AJN

To the Honorable Judge Nathan:

I represent plaintiff Victor Campbell in the above-referenced action. I submit this letter to request an adjournment of the virtual conference scheduled for September 10, 2021, at 3:15 p.m., and the deadline to submit a pre-conference discovery report. My adversary consents to this request.

The reason for this request is that I have not been able to reach my client since June. I did speak to him in June and since then it appears his phone is no longer in service, and that he has moved residences. I am hopeful that over the next 60 days, I will be able to reach my client, and prepare the pre-conference discovery report.

If that happens, Plaintiff would likely amend the complaint to remove class action allegations, given that recent difficulties in communication between Plaintiff and counsel suggests that Plaintiff cannot serve as a lead plaintiff in a class action.

If I am not able to reach my client in the next 60 days, I would likely file a motion to withdraw as counsel.

Plaintiff's counsel and Defense Counsel agree on the following proposed alternate dates for submission of the pre-conference letter and the conference:

- letter on 11/17; 11/18 or 11/22; and conference on 12/1; 12/2 or 12/6.

As always, I thank the Court for its time and attention to this matter. Thank you.

The Court GRANTS Plaintiff's consent request to adjourn. The conference scheduled for September 10, 2021, is adjourned to January 21, 2022, at 3:15 p.m. The parties shall jointly file a status report by November 8, 2021. By January 14, 2022, the parties shall file a joint letter and case management plan per the Court's order dated August 27, 2021. Dkt. No. 12.

SO ORDERED.

SO ORDERED.
